

BOWING THE KNEE TO BAAL (part 7 of a 7 part study; taking a stand!)

The time has come for a purging of American Evangelical Christianity. My wife, Carlene and I, believe this catharsis should occur through a **peaceful and voluntary exodus** from the current corruption of the Christian faith in our nation. We are signing on to the commitment below and are asking you to consider joining us.

The Remnant Reformation Declaration

Article One:

In signing this declaration, we affirm the sound doctrine of the historic, evangelical Christian faith, as confirmed in 1 Corinthians 15:3-4 and Jude 3.

Article Two:

In signing this declaration, we affirm that the apostolic era is over. Its sign gifts served the purpose of laying down the foundation for the building of Christ's Church, as confirmed in Ephesians 2:19-22 and Hebrews 2:3-4.

Article Three:

In signing this declaration, we affirm that the methodology for advancing the cause of Christ in our world is the Great Commission, as confirmed in Matthew 28:18-20.

Article Four:

In signing this declaration, we renounce the methodology of political activism for furthering the cause of Christ in our world, in that it is a weapon of the flesh and not the Spirit (2 Corinthians 10:3-4; Ephesians 6:17b). In addition, we reject secular psychology as a means to Christian growth and development, in that it is an elementary principle of the world and not of Christ (Colossians 2:6-8).

Article Five:

In signing this declaration, we affirm the priority of our citizenship in the kingdom of heaven, engaging in spiritual warfare in a manner that is in harmony with those principles, confirmed in John 18:36, Philippians 3:17-21 and Ephesians 6:18-20.

Article Six:

In signing this declaration, we utterly renounce the idolatrous cult surrounding Donald Trump and steadfastly refuse to bow our knee to this modern-day Baal.

Article Seven:

In signing this declaration, we promise to present our commitment to the pastor of our local church; knowing what this may mean for any continued involvement in that fellowship, as indicated in 2 Corinthians 6:17-18 and Revelation 18:4-5.
