

## **Section Three: The Kingdom of God on Earth (Future)**

### **Category B: Second Coming – Kingdom Intelligence Report #6**

#### **Topic: The Four-fold Purpose – Theocracy**

There currently exists a significant group of evangelical Christians who have embraced the notion that it is their solemn duty before God to establish a theocracy in the United States of America. They not only see this as a call directly from God but a continuation of the original purpose of the founding fathers of our nation. However, a close examination of Scripture, as well as the U.S. Constitution, reveals their efforts to be both foolish and misinformed.

In the context of this study, the only legitimate occurrence of a theocratic nation ordained of God, over the course of the many years of God's Plan B, was the nation of Israel under the Mosaic Covenant. Through no fault of God, that endeavor completely unraveled, due to His flawed human agents, who proved themselves to be massive failures. Furthermore, in the context of our Constitution, there is no validity to the concept of an American theocracy, whatsoever, when the authors of the First Amendment clearly state otherwise: **"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof . . ."**

How many more solemn assemblies need to be held, in a misapplication of 2 Chronicles 7:14, before we realize that we are in the last days? Things aren't going to get better and better. They are going to get worse and worse (2 Timothy 3:1-13). The Church isn't going to be establishing God's Kingdom on earth. The Antichrist will be establishing Satan's kingdom on earth (Revelation 13:1-10). Then, and only then, after seven years of hell on earth, will Jesus Christ return, banish the devil's counterfeit empire and establish His Kingdom, the true Kingdom of God on earth, once and for all and forever (Revelation 11:15-19; 19:11-20:6); as also revealed in Zechariah 14:9 –

**"And the Lord will be king over all the earth; in that day the Lord will be the only one, and His name the only one."**

In spite of the above, there is a motley crew assembling itself in this perfect storm of end time apostasy; consisting of radical Reconstructionists who believe in the systematic implementation of Mosaic Law within every nation on earth. Joining them are a deviant sect of crazy Charismatics who have deluded themselves into thinking they are "gods;" naming and claiming whatever they want into existence. Undergirding and normalizing the above lunacy are a group of misguided political propagandists, who have convinced themselves that God is a Republican. These so-called "Christian Political Activists" refuse to heed Paul's last days admonishment, found in 2 Timothy 3:1-5, which concludes with the warning: **"avoid such men as these."** Rather than taking Paul's advice, under the inspiration of the Holy Spirit, they are willfully ignoring it. The tragic end-result? Instead of avoiding such men, they are creating Machiavellian alliances with them.

**Need I say more? Just this. You will not be establishing the Kingdom of God on earth; not in one nation, not in any nation. You are not qualified to undertake such an awesome task. You never have been and you never will be; not now, not ever! Only Jesus Christ is capable of this and He will successfully accomplish it, when He returns. To think otherwise, is proof positive that the devil has deceived you; and it is time for you to repent (2 Timothy 2:25-26).**
