

THE DISGRACEFUL TREASONOUS FAILED COUP OF JANUARY 6, 2021

We can never forget what took place in our nation's capital on January 6, 2021. The shameful travesty of that event has had a profound and lasting impact upon me. It has unleashed a significant amount of emotion which had been previously held back, out of a sincere desire to obey Romans 13:1-7. That passage does require submission to governing authority without demanding a supportive approval of the same. In remembrance of that day which will live in infamy, it is time to bring this issue back into the forefront of our nation's consciousness.

In spite of my Evangelical/Biblical perspective, I was never able to bring myself to a place of supportive approval for Donald Trump as President. My view of him was then, and continues to be, extremely negative. The common justification used by many Christians: "it's not the person, it's the policy;" is a rationale I cannot embrace. Based on 1 Samuel 16:7, I am convinced the very opposite should be true. More than once, I have asked, "How? How could my fellow Evangelicals be so gullible in allowing themselves to be deceived by such a brazen con man?"

I am no longer asking that question. Instead, I have come to the following conclusion. When you, as an Evangelical Christian, who should know better, started naively following Donald Trump, you stopped following Jesus Christ. Your fawning allegiance to this man, in turning a blind eye and deaf ear to his immoral and unethical behavior, is a disgrace to the cause of Christ. And now, are you actually ready to vote for him for a third time? What more proof do we need that American Evangelical Christianity is in an utterly pathetic state of backslidden apostasy? Did not the apostle Paul warn us in 2 Thessalonians 2:3 that prior to the revealing of the Antichrist and the onset of the Tribulation, that the Christian faith would find itself in such a woeful condition?

Perhaps the events of January 6, 2021, will be considered a blessing in disguise someday, if they serve as a wake-up call to the hypnotic and delusional spell this man has cast upon so many Bible-believing Christians. In the aftermath of the domestic terrorist insurrection which took place in our nation's capital, it is time to repent of your sin. If not now, then when? Yet, during this entire time, I have prayed for Donald Trump, in accord with 1 Timothy 2:1-2 –

"First of all, then, I urge that entreaties and prayers, petitions and thanksgivings, be made on behalf of all men, for kings and all who are in authority, so that we may lead a tranquil and quiet life in all godliness and dignity."

First, I prayed that he would be impeached. Then, I prayed that he would not be re-elected. Ever since the failed insurrectionist coup, I am praying that he will be brought to justice and put in prison for a very long time. Why? So that Evangelical Christianity in America can return to leading "a tranquil and quiet life in all godliness and dignity." So that our democracy will be saved from becoming a dictatorship. So that this man never becomes our nation's president again.

Sincerely in Christ,
Henry Igras
